### **Brief Of Excellence Group**

Excellence group of companies is an upcoming and fastest growing network. Founded in 2015 by Sandeep C S, which had started as providing educational training and has come a long way from its beginnings in Kerala and presently is the operational head in our regional branch. Currently our company has expanded immensely in the field of digital marketing, event management, interior and exterior architecture and consultancy services. Excellence Group of Companies has always focussed on providing the best services to our clients who require support for their professional life.

### **Mission**

Excellence Group of Companies focusses holistically on providing the best quality services to our community at a very affordable rate, completely satisfying their needs. Our company's name has gained its fame and popularity over the last 5 years due to the trust enriched upon us by our clients. We aim at helping our clients in the field that we're greatly experienced in, providing them assistance under technical foundations, promoting and marketing both digitally and commercially and also delivering professional advice on any field making them socially aware and adapt to the changing needs of the society. Within 2025, to become the most prominent institution.

### **Vision**

The Excellence Group of companies with its headquarters in New Delhi is a diversified group whose corporate divisions pursue corporate objectives autonomously and independently. Each corporate division has its own character and operates as an independent entity in the market.
